Test Online and Mobile Banking Services Agreement

Introduction

This Online Banking Services Agreement ("Agreement") governs the use of the Online Banking, Mobile Banking, Online Personal Financial Management Services, Online Bill Pay, Bank to Bank Transfer, and other services offered from time to time (collectively, "Services") of The Bank ("Bank").

The Services and product offered under this Agreement allows you to perform a number of banking inquiry, bill pay, transfer, transaction and financial management functions through the use of a personal computer device and mobile device and the Internet to access the Services offered by the Bank. This Agreement establishes the terms and conditions for electronic access to the Services and products offered hereunder. When you use any of the Services or products described in this Agreement, you agree to the terms and conditions of this Agreement. You also agree to abide by the terms and conditions set forth in your deposit agreement.

For purposes of this Agreement, the words "we," "our," "us," "Bank" and other similar terms mean The Bank.

"You," "Your," "User," "Customer," "Company" and other similar terms refer to the account holder and anyone else authorized by that account holder to exercise control over account holder's funds through the Services. "Account" or "accounts" means your deposit and loan accounts at the Bank. "Electronic funds transfers" means ATM withdrawals, preauthorized transactions, point of sale transactions and transfers to and from your Bank accounts (including Bill Payment) using the Services.

If you are an individual, you agree to use our Services only for consumer or personal transactions. A "consumer transaction" means the use of our Services to electronically transfer funds to or from a consumer account. A "consumer account" is an account which you own or over which you are authorized to exercise control that is established primarily for personal, family or household purposes.

If you are not an individual, including, but not limited to, a sole proprietor, corporation, partnership, limited-liability company, unincorporated business entity or association, then you agree to use our Services only for non-consumer transactions. A "non-consumer transaction" means the use of the Services for any purpose that is not a consumer transaction (for example, to transfer funds to or from a business account or any account that is not a consumer account) and in addition includes use of the Services if the use is not covered by the Electronic Fund Transfer Act and its implementing Regulation E. If you are using the Services for non-consumer transactions, you also agree to execute a resolution authorizing use of Services.

All information contained in the Services is subject to copyright and/or ownership by Bank or others, as applicable. The information contained in Services may not be copied, reproduced, downloaded, distributed, licensed, transmitted or used for commercial purposes without the written permission of Bank or the holder of any copyright. You agree that Bank may employ the services of third-party providers in connection with the Services and you agree to be bound by the terms and conditions of our agreements with those third-party providers. Furthermore, you acknowledge and agree that the third-party providers are not agents of Bank, and that the Bank and the third-party providers are independent contractors operating at arm's length.
